

NOW QUALITY SLEEP HAS A NAME

1. AIRZONE FOAM

Maximises airflow through profiled high-density foam, thus improving contouring to the body's silhouette and provides pressure point relief for a more restful night's sleep.

2. COMFORT RESPONSE COIL SYSTEM

Comfort Response Coil System has up to 25% more springs. Every spring goes through a tempering process, resulting in increased durability & sensitivity to body contours.

3. FLUTED BASE

Stylish hand-crafted base with the correct solid and even foundation to ensure proper support and life for the mattress.
